

Editorial Independence Policy

Artblog subscribes to standards of editorial independence adopted by the Institute for Nonprofit News:

Artblog retains full authority over editorial content to protect the best journalistic and business interests of our organization. We maintain a firewall between our choices of what to cover and all sources of revenue including gifts, grants and sponsorships from individuals and organizations. Acceptance of financial support does not constitute implied or actual endorsement of donors or their products, services or opinions.

When we consider donations to support the coverage of particular topics, Artblog maintains editorial control of the coverage and cedes no right of review or influence of editorial content. Artblog does not condone unauthorized distribution of editorial content.

We will accept anonymous donations for general support only if it is clear that sufficient safeguards have been put into place that the expenditure of that donation is made independently by our organization and in compliance with INN's Membership Standards.
